Independent Auditors Review report on Standalone Unaudited Quarterly Financial Results of the Company pursuant to Regulations 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

TO THE BOARD OF DIRECTORS OF
Inox Green Energy Services Limited
(Formerly known as Inox Wind Infrastructure Service Limited)

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Inox Green Energy Service Limited** ("the Company") for the quarter ended June 30, 2024 ("the Statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. **Emphasis of Matter**
 - a. We draw attention to Note 3 to the statement regarding invested funds in 6 SPVs.
 - b. We draw attention to Note 4 to the statement regarding pending litigation matters with Court/Appellate Authorities. Due to the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the company will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.
 - c. We draw attention to Note 5 of the statement which states that the Company has the policy to recognise revenue from operations & maintenance (O&M) over the period of the contract on a straight-line basis. Certain O&M services are to be billed by amounting to Rs. 12,480 Lakh for which services have been rendered. On the basis of the contractual tenability, and progress of negotiations/discussions/arbitration/litigations, the company's management expects no material adjustments in the standalone financial statements on account of any contractual obligation and taxes & interest thereon, if any.

57-H, Connaught Circus, New Delhi - 110 001, India Phones : +91-11-23322359/1418

Email: dpncp@dpncindia.com

- d. We draw attention to Note 6 to the statement which describes that operation & maintenance services against certain contract does not require any material adjustment on account of machine availability, if any.
- e. We draw attention to Note 7 of the statement, which states that the company has a system of maintenance of information and documents as required by Goods and Services Act ("GST Act") and "chapter-xvii" of the Income Tax Act, 1961. Due to the pending filing of certain GST/TDS/TCS returns, the necessary reconciliation related to statutory balances is pending to determine whether all transactions have been duly recorded/reported with the statutory authorities. Adjustments, if any, arising while filing the GST/TDS Return shall be accounted for as and when the return is filed for the current period. However, the management is of the opinion that the aforesaid return filing will not have any material impact on the financial statements.
- f. We draw to attention to note no. 10 of the results, which states that the Company has certain disagreement with one of its customer/client, its associates/affiliates for certain pending projects due to various matters i.e. - Curve Test, PLF, Grid compliances and delays due to covid -19 pandemic etc. After various discussion with the Customer/client, the company has taken back certain un-commissioned Wind Turbine Generator (WTG) and entered into settlement understanding dated 6th May 2024 to settle all outstanding recoverable balances and other related matters.
- g. Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.

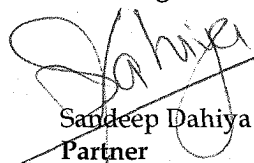

Our conclusion is not modified in respect of the above matters.

5. Other Matter

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited figures for the quarter ended December 31, 2023 which was subject to limited review by us.

Our conclusion is not modified in respect of the above matter.

2. Information reported to the chief operating decision maker (CODM) for the purpose of resource allocation and segment performance focuses on the single business segment of providing Operations and Maintenance ("O&M") services of WTGs and Common Infrastructure Facilities hence there is only one reportable business segment in terms of Ind AS 108: Operating Segment. The Company is operating in India only considered a single geographical segment.

The Company has presented segment information in the consolidated financial results. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in these standalone financial results.

The company invested funds in the SPVs through Inter-Corporate deposits for project execution, amounting to Rs. 1,022 Lakh, and also provided bank guarantees of Rs. 5,578 Lakh. The management believes that once the projects are commissioned and subject to pending regulatory matters and operational performance improvement, the company will be able to recover the funds from the SPVs and release the bank guarantees. However, as at June 30, 2024, the SPVs' project completion date had expired and applications for extensions are pending with regulators. In annual general meeting held on September 29, 2023 & September 29, 2023 of the Company and holding company respectively approves that if the group is unable to recover the funds provided as Inter-Corporate deposits and Bank Guarantee from the SPVs, the holding company will bear the costs.

4. Due to unascertainable outcomes for pending litigation matters with Court/Appellate Authorities and significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the company will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.

5. The Company has the policy to recognise revenue from operations & maintenance (O&M) over the period of the contract on a straight-line basis. Certain O&M services are to be billed by amounting to Rs 12,480 Lakh for which services have been rendered. On the basis of the contractual tenability, and progress of negotiations/discussions/arbitration/litigations, the company's management expects no material adjustments in the standalone financial statements on account of any contractual obligation and taxes & interest thereon, if any.

6. Operation & Maintenance services against certain contracts do not require any material adjustment on account of delays/machine availability, if any.

7. The company adheres to the requirements of the Goods and Services Act ("GST Act") and "chapter- xvii of the Income Tax Act, 1961 by maintaining proper documentation and information. However, the company, currently, has certain pending compliances including certain reconciliation. Management believes that there will be no significant impact on the statements.

6. Emphasis of Matter
- a. We draw attention to Note 3 to the statement regarding invested funds in 6 SPVs.
 - b. We draw attention to Note 4 to the statement regarding pending litigation matters with Court/Appellate Authorities. Due to the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the group will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.

 - g. Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation.
